

5 years w/k: what happened so far. Part I and II

Text: [Peter Tepe](#) | Section: [About w/k](#)

Summary: On the occasion of w/k's five year anniversary, I take a look back at what we have achieved. The individual forms of connections between science and art are defined and all articles published to date are classified according to the system developed for w/k.

5 years w/k consists of two parts and is only available in the German w/k:
