

Cordula Hesselbarth: Auf | Lösung. A Multimedia Wall-Installation

Text: Eckhard Kluth | Section: [About Artists](#)

Summary: Resulting from her collaboration with the research alliance Cells in Motion, Cordula Hesselbarth has designed a multimedia wall-installation for the foyer of a research building at the University of Münster. The artist, represented in w/k in a two-part interview, draws on a key topic of the research alliance in her work. The article, which is only available in German, first appeared in the winter semester 2021/22 issue of UniKunstKultur and with kind permission is republished in w/k.
