

Herbert W. Franke: Science-Fiction Author and Art Theorist

A conversation with [Peter Tepe](#) | Section: [Summary](#)

Whilst part 1 of the interview ([back to part 1](#)) focused on Herbert W. Franke as a physicist, speleologist and visual artist, part 2 turns its attention to his work as a science fiction author and art theorist. There are barely any other border-crossers between science and art who cover such a broad spectrum.
